Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	<p>There is a need for more family homes in the area and family homes that could be more affordable. Especially during a crisis of lack of housing.</p> <p>There has been a lack of housing choice within this area</p> <p>This would be very beneficial to local and small businesses and also the surrounding areas, creating more custom. This will also include better road access.</p>

Kind regards
