Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	<p>I would like to think a project of this size would be beneficial to the local community,more trade for local amenities.</p> <p>The new houses would help lots of families, walking distance to the local schools rather than heavy traffic coming in to the village.</p> <p>Affordability is a key element within the development.</p>

Kind regards
