- *Keymer is the only British company handmaking tiles using genuine Wealden Clay from our own quarry*
- *All our products are made in Surrey*
- *Our Quality Assurance and continual testing of our tiles, both in-house and externally, ensure that Keymer tiles conform to, and often exceed, all British Standards*
- *Factory tour available on demand to see our tiles being made and our quarry*
- *Bespoke fittings available*
- *Keymer tiles are guaranteed for 30 years, but should last more than 100 years*
- *Keymer Shire tiles achieve a heritage roof look for a very competitive price*

### **MADE IN SURREY**

*The unique  
character of  
Wealden clay*

### **HANDMADE QUALITY**

*Traditional  
techniques from  
expert craftsmen*

### **CHOICE OF COLOURS**

*Priory, Heritage,  
Downs Red and  
Ockley Mix*

*Gracing UK rooftops for almost half a millennium, the Keymer Shire range offers highly durable, handmade clay tiles in four distinctive colours. It's a real piece of British roofing heritage.*
