Reasons for comment:	
Comments:	I am absolutely shocked at the devastation and destruction caused by these people. They should be evicted immediately and taken to court and prosecuted for the destruction of our beautiful country side . I feel this has happened because you have the other sure that has remained for a long time if they were removed this problem would not have occurred . Monkey see monkey do it's the fault of the council that the original law breakers are still there . The council needs to get tough and stop this happening again immediate eviction is the only way forward

Kind regards
