Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I am writing to formally object to the planning application referenced above. My reasons for objection are as follows: Illegal Land Use: The proposed development involves the use of land in a manner that is contrary to existing regulations and does not align with the established zoning laws. It appears to flout the 2009 High Court injunction aimed at protecting our community from unlawful developments. Impact on Community Welfare: This development poses a threat to the safety and well-being of local residents. Illegal dwellings can lead to increased congestion, environmental degradation, and a decline in community standards. These factors ultimately undermine the quality of life for all residents in the area. Environmental Concerns: The proposed development may have negative impacts on local wildlife and the natural environment, as it might disrupt established habitats and contribute to pollution and noise in the area. Local Sentiment: There is significant opposition from the community regarding this application. It is essential that the voices of local residents are heard and considered in the decision-making process. In light of these concerns, I strongly urge the council to reject this planning application. Upholding the law and protecting our community should be the top priority. Thank you for considering my objection.
