Reasons for comment:

Comments: Dear Sir,  
I must object to the planning application 20241164, because I seem to remember that some years ago, when there were travellers there before, they were prevented from taking up permanent residence as as an injunction was put in place and as far as I am aware, it is still in place preventing mobile homes being placed in this field and any other buidling!

The planning application is for 'a change of use' as the land is agricultural land, and it is outside the Sole Street Planning 'envelope' which was put in place again many, many years ago by Cobham Parish Council and approved by Gravesham.

Besides which, in putting their mobile home on the land, they illegally had someone to cut down mature trees along White Post Lane. If I wanted to build something on my land, I would have to apply for planning permission first, not afterwards - they have so obviously broken the law and nothing seems to have been done by the official bodies! It strikes me as a two tier planning system!!!

[REDACTED]

Kind regards
