Reasons for comment:	
Comments:	There is a High Court Injunction prohibiting residential use of this land. Why should these people be allowed to ignore the law. The destruction of the trees down White Post Lane in order to give access to another mobile home on this site is an absolute disgrace and shows absolute contempt for the law and the local council. It must have cost a great deal of money to evict the previous unlawful occupiers of this land and yet it has been allowed to happen again. Is a High Court Injunction meaningless. They have erected a driveway, walls, gateways and destroyed our beautiful country lane.

Kind regards
