Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Wrotham Road cannot cope with the amount of traffic using it at the moment especially when there are roadworks as this is the only main route through the village - to add all these homes will make the situation much worse - especially bearing in mind the locality to the local primary school - the local doctors surgery cannot cope either and all this additional house building would escalate all the problems already in existence - I strongly object to this proposal

Kind regards
