## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	object most strongly to this proposed development which will result in increased traffic/noise/road damage/loss of prime agricultural land/loss of natural field drainage causing more flooding .Also building near culverstone primary school. Impact on wild life and increase pressure on local amenities doctors/hospitals etc. Which are currently overstretched

Kind regards
