Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>My objections, if this proposal was to go ahead are:-</p> <p>That due to the existing infrastructure of the road, with the excess of more than a 150 cars, this will increase the traffic on an already busy road (A227), increasing the pollution which will then have an impact on the environment and on wildlife, and also public transport.</p> <p>The impact on schools, GP Surgery and public services.</p> <p>The increase in noise, and safety.</p> <p>An increase of flooded roads due to building on green/grey belt land.</p> <p>If this proposal were to go ahead it would set a precedent for further development on green/grey belt land in our peaceful/ rural area.</p>

Kind regards
